

Priyanshu Singh

Web Developer

I am a Self-Taught **Full Stack Web Developer** with **MERN** stack in my arsenal, and a proven ability to get things done with whatever resource we have while staying focus on quality results under deadlines. My go-getter attitude drove me to collaborate with founders of shoupgram to create a massive **e-commerce platform with more than 10,000 lines of code** by myself. Eager to work in fast paced work environment, open to work remotely or relocate to work location.
